Chamber Music Program — Fall 2026

A semester of coached ensemble music-making. Students are placed into small chamber groups and work with faculty across eight afternoon coaching sessions — opening with a rehearsal-skills seminar and building toward Spotlight Concert performances. Each coaching day pairs a faculty coaching block in Recital Room 330 with a concurrent student rehearsal block in Building 320. Chamber Music continues in the Spring.

Program window: Aug 23 – Dec 12, 2026 · 8 coaching sessions · Alpharetta Campus

How it works. Your group attends every coaching date. Afternoons run a coaching block with faculty in Recital Room 330 (1:00–5:00 pm) alongside a reserved student rehearsal block in Building 320 (2:00–6:00 pm); groups rotate between the two. Coaching pauses for Fall Break (late September) and Thanksgiving week. Groups perform at the Spotlight Concerts on Oct 17 and Dec 12.
